STAR WARS™

MPC proudly announces the first introductions of a superb new kit series based on the epic film: Star Wars.

Everything possible has been done to execute this series in a manner consistent with the quality of this remarkable film. Designers working with the actual robots and space craft have designed kits boasting authenticity, detail and great features. The results of these efforts are models that will rekindle the thrill of the actual film for the millions of Star Wars fans.

Star Wars . . . done superbly . . . from MPC!

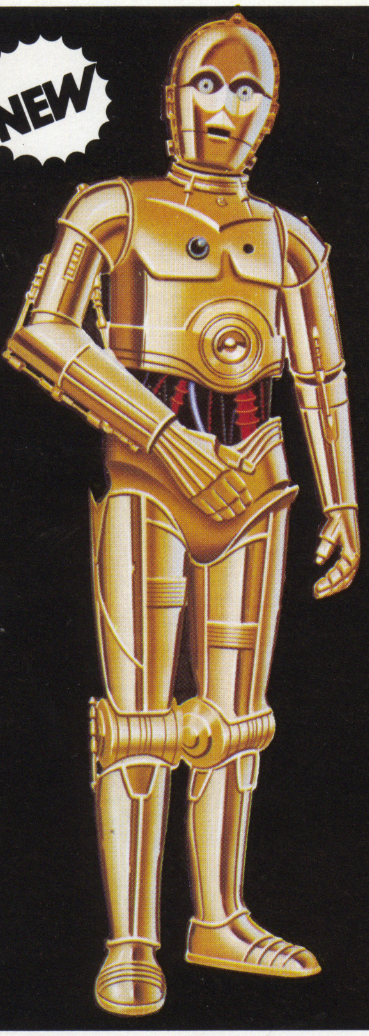
NEW



C-3PO

SEE-THREEPIO™

One of the most visible and important characters in the film, C-3PO is a human-like robot-translator that is the link between man and machine for the length of the film. This authentic kit reproduces him 10″ tall, fully detailed and featuring movable torso, swinging arms and turning head. Includes display base. Molded in color.

R2-D2

ARTOO-DETOO™

The chirping, whistling, beeping 'droid carries vital information and functions heroically throughout the entire Star Wars plot. This fine kit features multi-color molding. It moves on rollers, the arms pivot, the third leg retracts and dome spins. A door opens and computer arm can be extended. All this and ease of assembly too.

DARTH VADER'S TIE FIGHTER™

Its Darth's own Tie Fighter, the very shape of evil with the sinister destroyer at the controls in the detailed cockpit interior. Of course the kids will love it. And the serious Star Wars cultist will appreciate the wealth of detail and authenticity of this incredible kit. It makes for super impact on its display stand. Easy to put together. CHEVY
STEPSIDE PICKUP

Now, for the first time, the most popular pickup on the road is available in a huge, incredibly authentic 1/16 scale kit from MPC. The truck craze is in full bloom and the Chevy Stepside is a natural. The muscle and iron and macho is available to the modeler as never before. Too many features to be listed, but some highlights include monster tires, big plated mags, 4-wheel drive, off-road custom touches, moving parts, detailed engine and special Apache decal. **1-3058**

1/16 SCALE
STREET CHARGER
CUSTOM STREET ROD

The sleekest, most muscular street prowler from the "Decade of Heavy Iron" . . . it's the Super Charger, the definitive street rod! Long, low, wickedly flashing and now available in Super 1/16 Scale. Finally a kit of a street rod with the weight, the feel, the supercharged air of Sixties' excitement. With loads of features, big hemi with hood-projecting blower and scoop, special racing interior, giant vinyl tires, mags, turning front, special suspension and more. **1-3057**

BOUNTY HUNTER
OFF-ROAD CUSTOM VAN

Vans, off-road features, interior customizing, super markings, huge cleated tires, big-scale detail . . . add these up, mix well and you've got the greatest big scale van kit ever offered. The van that is now, with off-road exterior and off-road interior, loads of features, opening doors and super fine detailing. **1-3063**

1/20 SCALE
'56 FORD PICKUP
WITH OFF-ROAD MOTORCYCLE

This is *the* truck with the rodders, the favorite pickup from the Fifties . . . and the Sixties and Seventies too! And now Ford's classic is available in a kit with the realism and detail of 1/20 scale. Loads of great features include super detailed engine, turning front end and rear. But the great bonus is the racing, off-road motorcycle also included in 1/20 scale. An unbeatable double kit from MPC. **1-3064**

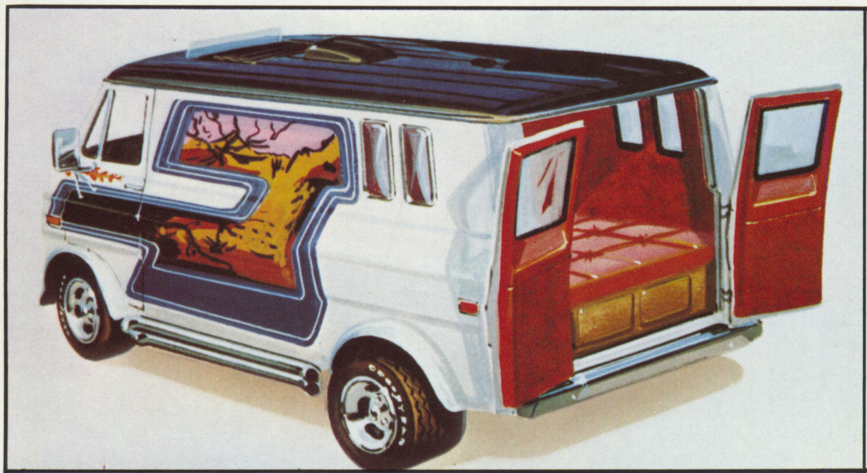
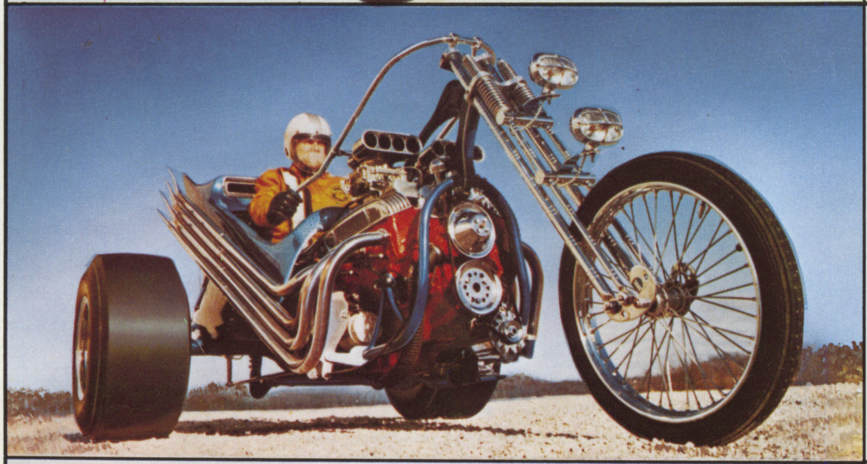
BIG SCALE KITS CONT.



SUPERVAN

It is super! Super size, super detail, super interior, super custom features are all included. Doors open on the side and rear for display, wheels turn. Markings are included as well as vinyl tires, chrome parts, complete engine, mag wheels and full custom interior.

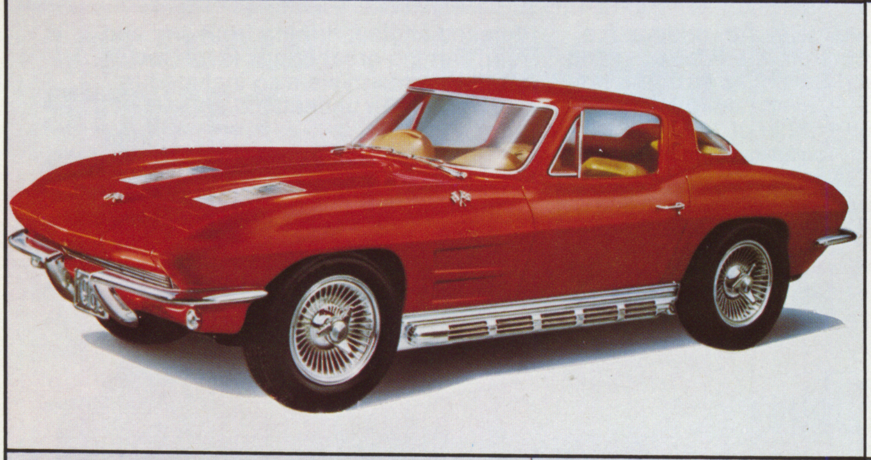
1-3061



SHAKER TRIKE

The most popular kit ever made of a custom trike and no wonder, it's a creation of the famous custom stylist Carl Casper. Includes all the features: giant hollow tires molded in vinyl, detailed V-8 engine, loads of chrome parts, deep dish mag wheels, and custom seats.

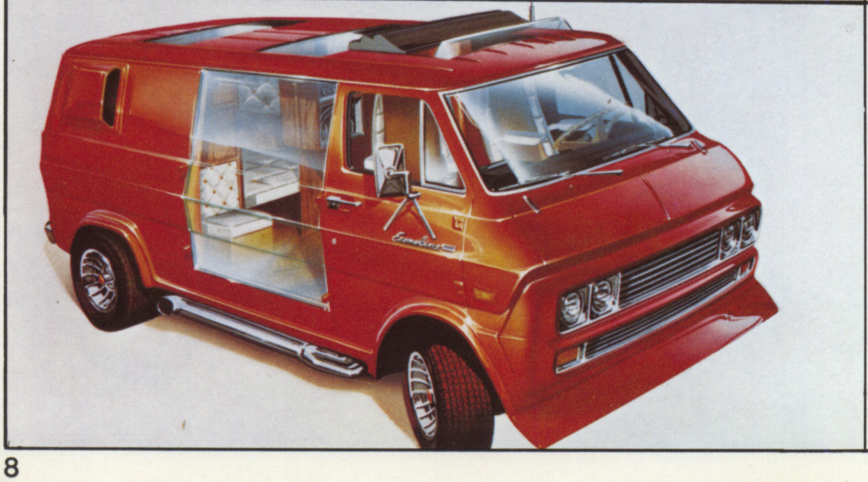
1-1424



SUPER VETTE

Here's the original Sting Ray, the '66 Vette in a super sized kit. Not a detail is overlooked, everything is included and perfect. The big engine features a turbo charger, the interior is complete, wheels turn and steer, big vinyl tires and special mags are included.

1-3056



VISIBLE VAN

A great kit with unique features throughout! And they all display beautifully because of the huge clear panels on the side, top and rear. It also features a super-sized mural decal for an alternate Street Van building version. Includes detailed engine, vinyl tires, full interior.
